

# VÖLKL® Grizzly

The winter boot VÖLKL Grizzly is made of waterproof nubuck leather and is fully lined with lambskin. Slightly lower than the winter boot VÖLKL Premium, it guarantees users with stronger calves easy entry and exit. Manufactured in traditional, authentic double stitched style with a non-slip rubber sole, it is also an ideal companion for long trips in very cold weather.

## Technical description

- Brown waterproof nubuck leather, thickness 2,4 - 2,6 mm
- Upper construction without side seams
