

# VÖLKL® Grizzly Premium

The winter boot VÖLKL Grizzly Premium stands out by its elegance and the uncompromising quality of the materials used for its production. The pure cut, the thick and smooth leather of Swiss origin, the full lining with genuine lambskin make it an exceptional product. Grizzly Premium is made in traditional, authentic double stitched style, a technique now dominated by only a handful of specialists. Equipped with a profiled rubber outsole, it is an ideal companion for long trips by very cold weather.

## Technical description
